

Making a difference in families' financial lives.

Remember when you are applying for a home loan, don't make any major purchases, or close any credit cards or open any new credit or pay off any collections....Your credit will be pulled again right before closing..... If you have any questions on this or anything to do w/ your loan, please call Amy at (919) 414 4430.

Something interesting: When your credit is pulled for your home loan, credit bureaus could share your personal information!

Put an end to unsolicited credit offers, telemarketing and protect your identity! Opt-out!

Go to : www.optoutprescreen.com to opt out today.

These telemarketers may call you even if you are on the do not call list! Don't give any telemarketer your private information, SS # etc.... on the phone. If you want to do more, call you're your Congressional representative at (202) 224-3121 to stop the credit agencies from selling your information. **To join the National Do Not Call Registry, go to www.donotcall.gov or call 1 (888) 382-1222.**
